Fast & Smart Solutions

About Us

Bross Auto Parts is a trading company, based in Turkey, specialized on e-Business. We are a family oriented company and all family members and our employees are devoted themselves to their jobs. We always try to create the fastest and accurate solutions with reasonable prices.

Bross Auto Parts is specialized in small car repair parts which solve the big problems. Our customers can change themselves the broken small parts and big systems on the car can work again and they save big amount of money. We offer mostly small plastic parts, which authorized dealers offer whole assembly and can not provide this small parts, like window regulator parts, various motors' gears on the car, sunroof repair parts, interior parts etc. With our DIY products, you yourself can change them, enjoy having time with your car and saving money.

We are based in Turkey, our products Turkish products. We are working with many big producers in Turkey. We are guiding them which parts to produce and they produce OEM quality. We handle your orders very fast, in one business day we process your orders. We have close customer relation and we always aim to have very long business relation.

We all have respect to our business as well as your business. We all are believe in improving our relations with our customers and sustain our business relations for a long time with the mutual benefits. We always try to be open, honest, keep informed our customers with the most recent information.
